

City Hall, City of Lodi
Monday, November 15-1926.

This regular meeting of the Board of Trustees of the City of Lodi was called to order by the President at 8.05 o'clock P.M. on the date first above written, all members of the Board present on roll call.

The minutes of the regular meeting of November 1st., 1926 were read, approved as read and so endorsed by the President.

Mr. R. Weber, a contracting plumber appeared and desired that certain conflicting sections of the local plumbing ordinance be interpreted especially as to the size of vent pipes to be used. It being the opinion of the City Attorney that the clause of this ordinance specifying that at least one four inch vent must be installed in every structure would prevail over preceeding sections, the City Plumbing Inspector was directed to so enforce the ordinance.

A communication from the President of the League of California municipalities calling attention to a meeting of the Traffic Officials of municipalities at Fresno on the 18th. was ordered filed without comment.

A communication from the Superintendent of the Southern Pacific Company acknowledging receipt of the application of the Board for a permanent flagman at Elm Street was also ordered filed.

The application of George Krieger for a roving lunch-wagon license was denied.

Applications for building permits from Elbert McS. Brown and Briggs E. Porter were granted conditionally; the proposed structures being in the fire zone, the Board adhered to their previous rulings in such matters that the supporting members of non-combustible walls and roofs must also be of non-combustible materials. Applications for other structures amounting to \$42000 were allowed.

Traffic Officer C.O. Jackson appeared before the Board in regard to daily patrol of the City's streets, stating that he could supply an additional man in the person of Albert M. Chappius with whom he would render daily service to the Citys of Lodi and Tracy. On motion of Trustee Shattuck, seconded by Trustee Hale, the Clerk was directed to prepare and have executed a contract with Mr. Jackson for the extended service, it being understood that compensation insurance would be born by the contractor.

On motion of Trustee Hale, seconded by Trustee Weihe, bills amounting to \$2,122.25 as approved by the finance committee were allowed and ordered paid.

On motion of Trustee Weihe, the Board adjourned.

Attest:-

J. F. BLAKELY, City Clerk.

The foregoing minutes were read and approved without correction at a regular meeting held Dec. 6, 1926.

President of the Board of Trustees.
